* Conditions for travelling with a Service Dog in the cabin:

Service dog is allowed in cabin at not extra charge. It must:

- Behave according to the training received at all times, otherwise, boarding could be denied. Service Dog are known for its training. It follows user's commands. In the event that the dog displays a behavior which is not consistent with its training the company may request additional information of the dog, its training and its usual behavior. For further information, please contact us by e-mail: producto@aerolineas.com.ar
- Use the space in front of its users without invading other passenger space, aisle or emergency exit.

I hereby confirm that a meet all the requirements to travel with a service dog:

- I have read the conditions to travel with a Service Dog in the cabin,
- I am responsible for any contractual and non-contractual damage to things and/or injury to third parties, caused directly or indirectly during the boarding procedure from the airport terminal, the transport itself and disembarkation to the destination terminal in accordance with the provisions of article 7 of law 26 858,
- My service dog has been trained and has an ID Card/certificate that proves is a Service Dog,
- My service dog fits in the space available between seats in front of me, and it can stay there during the whole flight,
- My service dog wears an harness or a vest and a leash so that it can be fastened while on board,
- I can look after my service dog during the whole flight,
- Service dog has been toilet trained so that it does not urinate or defecate during the flight.

Please show up early at the airport with a printed copy of this form, which you must complete with all the information required, to be submitted to Aerolineas Argentinas's staff at check in time.

* I have read and I accept all conditions included above. **Signature and print name:**
